Below are explanations of recital fees. It can get quite confusing for parents of children that take multiple classes and even more challenging for parents with multiple children who take multiple classes. If you still are unsure of what your child(ren)'s recital fees should be, feel free to ask Scarlett or one of the SBC instructors.

If you have one child attending one class per week, your recital fee is **\$55.00**.

If you have one child attending two or more classes per week, (eg. 1 ballet, 1 tap, 1 modern) your fee is **\$55** for the first class, **\$43 each** for 2nd and/ or 3rd classes.

If you have two or more children, each attending one class per week, your fee is **\$52** for each child.

If you have two or more children attending two or more classes per week, your fee is **\$52** for the 1st class, **\$40** for additional classes, for each child.

B level BALLET classes will all have the same costume base with different skirts for each class. In this way, students who attend multiple B level ballet classes will have a different "look" for each of their dances without the need for parents to pay multiple full price recital fees. Cost for additional skirts is \$18 per skirt.

If your child attends only 1 B level ballet class, your recital fee is \$55 (\$52 for multiple child family rate)

If your child attends 2 or 3 B level ballet classes, your recital fee is \$55 (or \$52) plus \$20 for each additional class.

If your child also attends tap and/or modern, your fee is \$43(or \$40) per additional costume.

C level ballet and Beginning and Intermediate Pointe classes will receive leotards which can be worn in class after the recital. The \$55 (or \$52) recital fee includes a costume maintenance fee for borrowing skirts supplied by SBC to complete the costume. If your child needs more than 1 leotard, you will be notified of the cost as soon as the details have been worked out.

If your child attends C level ballet classes, your recital fee will be \$55 (\$52 for multiple child family rate). You will be notified of any additional fees for leotards and/or costume rental, keeping in mind that we are trying to keep your costs to a minimum!

If your child also attends tap and/or modern, your fee is \$43 (\$40) per additional costume.

Some **advanced students** are invited to perform a variation (a special dance for 2, 3, 4, 5 dancers) or a solo. Variations are choreographed and rehearsed outside of regular class time and a recital fee of \$55 helps to compensate the choreographer and the studio for the additional time needed to prepare.
