Students should be dropped off 10 minutes before their scheduled class time. Their temperature will be checked and they will be given hand sanitizer. They will stow their things and sit socially distanced in the lobby until class starts. We thank parents and visitors for not entering the building.

The studio, lobby and bathroom will be cleaned/sanitized between every class.

We are using air purifiers with a HEPA filter, UV lights, and high pressure steam cleaning. All disinfecting and cleaning products are approved by the CDC for protection from Covid-19.
