

*Dear families and students,*

*We are extremely happy to be able to present our first live performance since Winter, 2019! It has been a long, challenging journey that really made us dig deep to find hope, resilience and perseverance. Now, as we begin to dig out of the rubble, we hope that our progress continues and we can find our way to “normalcy” again.*

*Many thanks to our instructors: Janelle Jobson, Iyanla Lovaglio, Asia Gross and Philip Krauter for being there to teach both our in-person and virtual students throughout this past season. You have made a huge difference in our students’ lives!*

*Special thanks to Andrea Carle, SBC’s Administrative Assistant, for making sure all of our phone calls and communications are answered with competence, compassion and caring!*

*A special abundant and overwhelming thank you to Justine Snihur, Assistant Director of SBC. I don’t know what I would have done without Justine by my side during this pandemic. Justine and I have picked each other up, cried on each other’s (virtual) shoulders and solved an endless array of unique “covid” problems and situations. I am endlessly grateful!*

*With a deep appreciation to all,  
Scarlett Fiero, Director*
